

# BLAST! CAMP

By Learning Agriculture and Sustainable Technologies!, a four day camp at the Ranch

**Kids, Tweens and Teens, ages 8 to 18**

Session One: June 5 through 8, focus on Growing Things and You  
Session Two: June 12 through 15, focus on Creative Land Challenges

**\$195** (early bird pricing) online at: <https://campscui.active.com/orgs/AdvantageRanchLLC>

Get Skilled at working and playing with others in this intentional and focused youth leadership development and team building BLAST! CAMP.

Through fun, collaborative, intentionally coached experiences, kids will gain skills in planning and strategy, and making plans real in the world. See how their efforts create lasting differences in the lives of other people.

**ACTIVITIES:** Arrive 9 AM, bring a bag lunch & water bottle, depart 4 PM

Learn about the Land and its Relationship to you by getting hands on with dirt, growing and building things. Participate in Planning and Creating and Planting the SALAD BAR raised beds in week one. In week two the focus moves to the wooded land and how to plan and build a Team Building Obstacle Course. Each Participant may invite a family member to join us in the building phase of camp. Have a great time: register for both weeks of BLAST!

Working together is the best form of playing together; and working through the challenges of these projects provides each kid with the chance to shine for who they are as individuals! This is great preparation for all those future team projects in school and life.
