THE MENU: A La Carte

These services are included in the Premium Board rate. They may be requested as “A La Carte” additions to the Full Care Board at the prices indicated:

Custom Feed Package: Discuss your nutritional goals with the manager and we will help you design a custom feed package for your horse. The price reflects current market costs, estimates provided are for 1 portion added to AM and PM feeds. In addition to the crimped daily US #1 grade whole oats that form the basis of your horse’s diet at Advantage Ranch, the following may be added:

- Alfalfa Cubes, increase protein level through forage \$60/month, 2.7lbs/feeding
- Rice Bran, increase fats, control carbs \$18/month, .4lbs/feeding
- Southern States Training, high performance feed 13%/13% \$78/month, 2.9lbs/feeding
- Beet Pulp, increase fiber, control carbs (rehydrated) \$30/month, .6lbs(dry)/feeding

Supplements: of your choice and you provide; we will manage, package daily, and feed as you wish in AM and/or PM feedings. Smart-Paks generate a great deal of refuse material so we prefer to use our own packaging system.

Supplement Feeding, one or two, Fee is \$30 per month
Each Additional Supplement, \$10 per month

Individual Turn Out: We offer small paddock turn out, to which horses are led by hand, individually. You may request private or semi-private accommodations (we are glad to provide a friend with appropriate behavior from our show horse collection). Horses are restricted from “ITO” when the ground is not good; if we don’t deem the ground safe for our horse, we won’t turn yours out either. Individual Turn Out times are usually limited to 3 or 4 hours a day. We are glad to dress your horse in fly sheets and masks, protective boots, and turnouts as you direct and as the weather requests. Individual Turn Out Fee is \$100 per month

Blanketing: As you direct (and given the strange and changeable weather) with a daily change of clothing along with morning and afternoon feeding. We encourage you to have a great bag to store all your blankets in (we can recommend a source!). Talk with us about your blanketing goals and we will be glad to help.

Blanketing Fee is \$50 per month
